Important Information

Important Information

The Important Information set out below is provided for your information only. It does not form part of the insurance contract with you, and is not part of the policy.

Nothing contained in the Important Information imposes contractual obligations on you, or creates contractual rights. These are contained in the policy and any endorsement.

Claims Made Notice

Section 2 Part C of the policy operates on a 'claims made and notified' basis. This means that, **Section 2 Part C** covers you for claims as defined in **Section 2 Part C** first made against you and notified to us during the period of insurance.

Section 2 Part C does not provide cover in relation to:

- acts, errors or omissions actually or allegedly committed prior to the retroactive date of the policy (if such a date is specified);
- claims made after the expiry of the period of insurance even though the event giving rise to the claim may have occurred during the period of insurance;
- claims notified or arising out of facts or circumstances notified (or which ought reasonably to have been notified) under any previous policy;
- claims made, threatened or intimated against you prior to the commencement of the period of insurance;
- facts or circumstances of which you first became aware prior to the period of insurance, and which you knew or ought reasonably to have known had the potential to give rise to a claim under the policy section;
- claims arising out of circumstances noted on the proposal form for the current period of insurance or on any previous proposal form.

Where you give notice in writing to us of any facts that might give rise to a claim against you as soon as reasonably practicable after you become aware of those facts but before the expiry of the period of insurance, and provided the claim would otherwise be covered under the policy, you have rights under Section 40(3) of the *Insurance Contracts Act 1984* (Cth) to be indemnified in respect of any claim subsequently made against you arising from those facts notwithstanding that the claim is made after the expiry of the period of insurance.

Any such rights arise under the legislation only. The terms of the policy section and the effect of the policy section is that you are not covered for claims made against you after the expiry of the period of insurance.

Please note that the above may be affected by any continuous cover special conditions where applicable which may extend time for notification of a claim as defined.

General Information

This Product Disclosure Statement (PDS) contains important information required under the *Corporations Act 2001* (Cth). It seeks to help you to:

- decide whether the insurance cover will meet your needs; and
- compare it with other products you may be considering.

The information in this PDS is of a general nature only and does not take into account your objectives, financial situation or needs. Therefore, it is important that you read it carefully and in conjunction with the Policy before making a decision to purchase an insurance product to ensure you have a full understanding of the terms and conditions (including the limits and exclusions) of the Policy.

This PDS applies for any offer of renewal of the Policy We may make, unless We advise otherwise.

The Policy provides a number of covers which may or may not be provided to the insured as a retail client under the *Corporations Act 2001* (Cth) depending on their circumstances. Only the parts of the Policy document relevant to cover provided to the insured as a retail client and any other documents which We tell the insured are included at or prior to entry into the insurance contract or when permitted or required by law, make up the PDS for the purposes of the Act.

The preparation date for the PDS is 1 February 2021.

The details of the cover provided under the Policy are contained within the Policy Wording.

It is important that You comply with the conditions of Your duty of disclosure, which can be found under the section Your duty of disclosure.

If You do not comply We may reduce the amount We pay for a claim in whole or in part, cancel the Policy, or both. If Your non-disclosure is fraudulent We may avoid the Policy from its beginning.

In the Policy, some words that begin with a capital letter have a special meaning throughout the policy and their meaning is defined in General definitions. Certain words have special meanings applicable only to a particular **Part** of the Policy and their meaning is defined within that **Part** under the heading Definitions applying exclusively to this **Part** within those **Parts**.

What You should read

This Product Disclosure Statement (PDS) is an important document to help you understand the insurance cover outlined in the Policy Wording, and your rights and obligations under it. Please read it carefully before making a decision to purchase this product to ensure it provides the cover you need.

You should also carefully read:

1. The Policy Wording which tells you about:
 - (a) what makes up the insurance (i.e. the insured's contract with Us which We call a Policy);
 - (b) the General definitions and Definitions applying exclusively to this **Part** in a **Part** that set out what We mean by certain words;
 - (c) the cover We can provide;
 - (d) what Excesses you may have to pay (see Payment of Excesses below);
 - (e) when you are not insured (see General Exclusions and any other exclusions specified in each **Section** or **Part**);
 - (f) certain general rights and obligations that you and We have (see General conditions);
 - (g) what you and We need to do in relation to claims (see Claims procedures);
 - (h) the insured's and Our cancellation rights (see Cancelling Your Policy).
2. the relevant proposal form the insured, if so requested, needs to complete to apply for cover;
3. any Schedule (see definition under General definitions) when it is issued to the insured; and
4. any other documents (for example Schedules, Supplementary PDSs and/or Endorsements) We tell the insured form part of the Policy at or prior to entry into the insurance contract or when required or permitted by law that vary Our standard terms of cover set out in this document.

About the Policy

The insured named in the Schedule has entered into a contract of insurance with the insurer.

The insurer has agreed to extend the benefit of the insurance cover provided by the Policy to certain eligible

persons (see the definition of You and Your and other persons who may be entitled to claim in each cover **Part**) on the terms and conditions of this booklet. Any person who wishes to exercise a right to recover from the insurer needs to read this booklet carefully because the insurance cover provided by the Policy is subject to the terms and conditions of this booklet. It is an important document so please keep it in a safe place for future reference.

How the Policy arrangement works

The insured enters into a Policy with Allianz.

The benefit of the cover under the Policy is extended automatically to persons who meet eligibility criteria specified by the insurer in the definition of You and Your (see definition of You and Your in each cover **Part** and other persons who may be entitled to claim) – these persons are referred to in the below as eligible persons and elsewhere in this booklet as You and Your or Voluntary Worker.

If eligible persons suffer a loss of the type described in this booklet during the Period of Insurance, they have a right to recover the amount of their loss from Us in accordance with the Policy solely by operation of Section 48 of the *Insurance Contracts Act 1984* (Cth).

Eligible persons can make a claim for the benefits detailed in this booklet but do not enter into any agreement with Us and are not charged by Us for the right to make a claim for those benefits.

Eligible persons have no right to cancel or vary the Policy or its cover – only the insured (as the contracting party) and We can do this. If We cancel or vary the Policy or its cover, We do not need to obtain an eligible person's consent to do so.

We also do not provide any notices in relation to this insurance to eligible persons as they are not a contracting party to the Policy. We only send notices to the insured which is the only entity We have contractual obligations to under the Policy.

Eligible persons are not obliged to accept any of the benefits of this insurance, but if they wish to make a claim under the Policy then they will have the same obligations to Us as the eligible persons would have if they were the insured by reason of the *Insurance Contracts Act 1984* (Cth). We will have the same rights against the eligible persons as We would have against the insured.

The insurance cover is subject to the terms, conditions, limitations and exclusions set out in this booklet.

Neither We nor the insured hold anything on trust for, or for the benefit or on behalf of, eligible persons under this insurance arrangement. The insured does not:

- act on Our behalf or an eligible person's in relation to the insurance; and
- is not authorised to provide any financial product advice, recommendations or opinions about the insurance; and
- receive any remuneration or other benefits from Us.

Any person who may be eligible should consider obtaining advice as to whether the benefits are appropriate or useful for their personal needs from a person who is licensed to give such advice. No advice is provided by Us or the insured that the benefits are appropriate or useful for any person's needs. Nothing prevents such persons from entering into other arrangements regarding insurance.

Summary of cover, significant benefits and risks

The Policy includes separate **Sections**, containing individual **Parts** within each **Section**, which allows the insured to select covers. Within some **Parts** there are options which You can also select, subject to Strata Community Insurance agreeing to provide those covers. Cover under an individual **Part** is only available if this is shown as 'Included', or where a Sum Insured appears against it, on the Schedule. If a Sum Insured does not appear against a particular **Part** of the Schedule, or it indicates 'Not Included' then no cover is available and you are not insured for that **Part**.

The following is a summary only and as such does not form part of the terms of the insurance. The examples detailed herein are some of the benefits and risks but you do need to read the Policy which details the terms, conditions, limits and exclusions of the Policy to make sure it matches your expectations.

Part G - Workers compensation

Cover is provided for Your legal liability under the applicable workers compensation legislation of the state or territory where Your Community Property is situated.

Workers compensation cover is provided under a separate policy and is subject to the terms and conditions of that policy.

Cover is available if the Community Property is situated in New South Wales, Victoria, Northern Territory, Australian Capital Territory, Tasmania or Western Australia.

No workers compensation cover is provided in Queensland or South Australia.

Other important information

Some other important things to remember are:

1. Keep records such as receipts, invoices or other evidence of ownership and value of property that You insure as proof of ownership and value should You have to make a claim.
2. When the Community Property is a total loss and We have paid out the total Sum Insured, the cover under **Section 1 Parts A and B** ceases. If You rebuild or replace the Community Property, You will need to take out new cover and pay the applicable Premium.
3. Pay Your Premium on time because if We do not receive Your Premium by the due date or Your payment is dishonoured, We may be entitled to cancel the Policy in accordance with the process set out in the "Cancelling Your Policy" section. Strata Community Insurance will give You written notice of cancellation.
4. Throughout the Period of Insurance and when renewing Your insurance with Us You must advise if circumstances relevant to the Policy have changed where You know, or ought reasonably to have known, that the change is relevant to Our decision to insure You and the terms on which We will insure You. Strata Community Insurance will notify You in writing of any proposed effect a change may have on Your existing insurance or its renewal.

Further We may also cancel the Policy as permitted by law or refuse to pay or reduce the amount We pay under a claim to the extent We are prejudiced by Your non-compliance, or both, if you:

1. do not comply with the terms and conditions as detailed in the Policy;
2. do not comply with Your duty of disclosure; or
3. make a fraudulent claim.

Review Your Sums Insured regularly

You need to make sure You are happy with the relevant Sum(s) Insured and limits.

If You do not adequately insure Yourself You may have to bear the uninsured proportion of any loss Yourself.

For example, if You don't have a sufficient Sum Insured to replace Your Community Property at new cost You will bear the shortfall. The cost of demolition and removal of debris from the site, and other costs such as the cost of employing an architect or surveyor, the Replacement of other structures such as driveways, roadways, kerbing, above and below ground services should all be included in the Sum Insured. If You are unsure whether Your Community Property is insured for the correct amount, You should seek professional advice.

You should also advise Strata Community Insurance of any changes in the details of the information You have given Us such as alterations or extensions to Community Property. If You do not do so, Your insurance may not be sufficient.

Payment of Excesses

Excesses may apply to any claim under this insurance. An Excess and/or Contribution is an amount You may have to pay as a contribution to each claim You make under this insurance Policy. The Excesses and/or Contribution that are applicable are shown on the Schedule, and/or within the relevant **Section** or **Part**. An Excess will be applied for each claim arising out of any one Event or Occurrence. An Excess and Contribution payment applies to **Section 2 Part F**. We will tell You the amount of any Excess and/or Contribution when You apply for cover. They may vary according to a number of factors, such as Your risk location and Your insurance history.

Goods and Services Tax (GST)

The Policy has provisions relating to GST that You should read in full (see Goods and Services Tax (GST) notice). In summary, they are as follows:

1. The amount of Premium payable by You for the Policy includes an amount on account of the GST on the Premium (and any administration fee charged by Strata Community Insurance).
2. The Sums Insured and other limits of insurance cover shown on Your Policy documentation are GST inclusive.
3. When We pay a claim, Your GST status will determine the maximum amount We pay You.

There may be other taxation implications affecting You, depending upon Your own circumstances. We recommend that You seek professional advice.

Applying for cover

When You apply for cover under the Policy We may, based on the information You provide, be able to offer cover and terms specific to You. Once We have agreed to cover You We will issue You with a Schedule confirming this, including the following information:

1. the Sum Insured and Situation of the Community Property;
2. Excess(es) applicable;
3. Premium including taxes and charges and any administration fee charged by Strata Community Insurance.

The cost of this insurance

In order to calculate Your Premium, We take various factors into consideration, including:

1. the cover required and Sum(s) Insured;
2. the address of the Community Property;
3. Your insurance history;
4. the security features of the Community Property;
5. the percentage of the total number of Lots within the Community Association that are insured under a policy separately with Us.

The total amount payable also includes amounts payable in respect of compulsory government charges including Stamp Duty, GST, any Fire Service Levy (where applicable) and Strata Community Insurance's administration fee (see their Financial Services Guide for details).

When You apply for this insurance, You will be advised of the Premium that You must pay or agree to pay Us and any additional amounts payable. If You choose to effect cover, the amount will be set out on the Schedule.

Cooling off period

You have twenty-one (21) days after buying or renewing Your Policy to decide if it meets Your needs and/or You wish to continue with the insurance. If You notify Us within this period that You wish to cancel Your Policy as from its start date, We will refund Your Premium less any government taxes or duties that are non-refundable or remain payable by Us.

This cooling off right does not apply if You have made or are entitled to make a claim.

Even after the cooling off period ends You still have cancellation rights, however We may deduct certain amounts from any refund (see Cancelling Your Policy).

Your duty of disclosure

Before You enter into a contract of insurance with Us, You have a duty, under the *Insurance Contracts Act 1984* (Cth), to disclose to Us every matter that You know, or could reasonably be expected to know, is relevant to Our decision whether to accept the risk of the insurance and, if so, on what terms.

You have the same duty to disclose those matters to Us before You renew, extend, vary or reinstate the contract. This duty of disclosure applies until the contract is entered into (or renewed, extended, varied or reinstated as applicable).

Your duty however does not require disclosure of any matter:

1. that diminishes the risk to be undertaken by Us; or
2. that is of common knowledge; or
3. that We know or, in the ordinary course of Our business as an insurer, ought to know; or
4. as to which compliance with Your duty is waived by Us.

Non-disclosure

If You fail to comply with Your duty of disclosure, We may be entitled to reduce Our liability under the contract in respect of a claim, cancel the contract, or both.

If Your non-disclosure is fraudulent, We may also have the option of avoiding the contract from its beginning.

The General Insurance Code of Practice

The General Insurance Code of Practice was developed by the Insurance Council of Australia to further raise standards of practice and service across the insurance industry.

The Code Governance Committee (CGC) is an independent body that monitors and enforces insurers' compliance with the Code.

You can obtain more information on the Code of Practice and how it assists You by contacting Strata Community Insurance. Contact details are provided on the back cover of this PDS.

Having the required documentation and if possible photographs of the items will assist in having Your claim assessed and settled.

In order to be sure that You are covered under this Policy You should always contact Us for approval before You incur costs You wish to claim. If You do not, We will pay for costs incurred up to the amount We would have authorised had You sought approval from Us first.

When You make a claim You must:

1. provide details of the incident and when requested complete the claim form We send You;
2. allow Us or Strata Community Insurance to inspect the Community Property at reasonable times and frequency and take possession of any damaged item(s) for reasonable purposes and in any reasonable manner;
3. take all reasonable steps to reduce the Loss or Damage and prevent further Loss or Damage;
4. inform the police as soon as reasonably possible following Theft, Vandalism, malicious or intentional Loss or Damage or misappropriation of money or property;
5. take reasonable steps to keep any damaged items. To ensure You are covered, please contact Us or Strata Community Insurance for approval before any disposal; and
6. not get repairs done, except for essential temporary repairs, until We or Strata Community Insurance give You authority and subject to Our and Strata Community Insurance's right to choose the repairer or supplier. Please contact Us to confirm approval for these costs.

These are only some of the things that You must do if making a claim. Please refer to Claims procedures in the Policy Wording which sets out claims information and what You must do if making a claim.

Terrorism Insurance Act

We have determined that the Policy (or part of it) is a policy to which the *Terrorism Insurance Act 2003* (Cth) (Act) may apply. We may elect to reinsure part or all of Our liability under the Act with the Commonwealth Government reinsurer, the Australian Reinsurance Pool Corporation (ARPC).

As a consequence, We may be required to pay a premium to ARPC and that amount (together with the cost of that part of the cover provided by Us and administrative costs associated with the Act) is reflected in the Premium charged to You. As with any other part of the Premium, it is subject to government taxes and charges such as GST, Stamp Duty and where applicable, Fire Service Levy.

Where We determine that the Policy (or part of it) may become a policy to which the Act may apply as a result of indexation of the Sum Insured during the Period of Insurance as provided for in Other adjustments – Indexation in the PDS, We may also charge You a pro rata Premium for the time during the Period of Insurance that the Policy may be a Policy to which the Act applies. This amount will be shown separately on the Schedule and is subject to government taxes and charges such as GST, Stamp Duty and where applicable, Fire Service Levy.

For further information contact Strata Community Insurance or the intermediary.

Community Association
Insurance

Important information

It is very important that You read the Policy carefully and make sure You are satisfied with the insurance. When You enter into the Policy You confirm and warrant that You have read or will read the Policy documents when provided to You.

Sections 1 and 2 of the Policy have been designed to provide insurance cover for the assets and liabilities of the Community Association.

Our contract with You

Where We agree to enter into a Policy with You it is a contract of insurance between Us and You. The Policy consists of:

- this document which sets out the standard terms of Your cover and its limitations;
- Your current Schedule issued by Us. The Schedule is a separate document, which shows the insurance details relevant to You. It may include additional terms, conditions and exclusions relevant to You that amend the standard terms of this document. Only those **Sections** or **Parts** shown as covered in Your Schedule are insured; and
- any other change to the terms of the Policy otherwise advised by Us in writing (such as an Endorsement or Supplementary PDS) at or prior to entry into the insurance contract or when required or permitted by law. These written changes may vary or modify the above documents.

These are all important documents and should be carefully read together and kept in a safe place for future reference.

We reserve the right to change the terms of the Policy where permitted to do so by law.

Any new or replacement Schedule We may send the insured, detailing changes to Your insurance or the Period of Insurance, will become the current Schedule, which You should carefully read and retain.

Some words and expressions have been given a specific meaning in the Policy and You will find their meaning in General definitions. Certain words have special meanings only within a single **Part** of the Policy and their meaning for that **Part** is defined within the **Part** they are applicable to under the heading Definitions applying exclusively to this **Part**.

Payment of Premium

Where We agree to issue a Policy, cover is provided on the basis that You pay or agree to pay Us the Premium We require, in which case We will insure You as set out in the Policy and the Schedule.

You must pay Your Premium by the due date. If We do not receive Your Premium by this date or Your payment is dishonoured, We may be entitled to cancel the Policy in accordance with the process set out in the “Cancelling Your Policy” section. Strata Community Insurance will give You written notice of cancellation.

Adjustments on renewal

Notice

At least fourteen (14) days before Your Policy expires, We will send You a renewal Schedule detailing any changes to Your Sums Insured, Premium and charges, and if any, changes to the terms, conditions and Excesses that previously applied.

You should carefully check all these details and promptly advise Strata Community Insurance if You wish to vary any of the limits or any details are incorrect.

Indexation

On renewal, We will increase Your Sums Insured under **Section 1 Part A and B** by reference to the relevant pricing index increase during Your previous Period of Insurance as published by Cordell.

The renewal Schedule We send You will show Your updated Sum(s) Insured for Your Community Property and the applicable Premium. You should promptly advise Strata Community Insurance should You wish to vary these updated Sums Insured.

Indexation does not apply:

- i. *if Your Sums Insured under **Section 1 Part A and B** exceed \$100,000,000 in total;*
- ii. *to any other Policy limit contained in **Section 1 Part A and B**.*

Other adjustments

If a claim occurs in the previous Period of Insurance and You do not notify Us until after the Premium and other conditions for the next Period of Insurance are determined, We may propose an additional Premium in order to maintain cover. We may cancel Your policy if there is a change and We can't reach an agreement with You on altered terms and conditions or premium, or We are no longer prepared to insure You because there has been a material change to the risk. This condition does not affect any other rights that We have, including the rights We have under Your duty of disclosure.

Indexation

If Your Community Property suffers Loss or Damage during the Period of Insurance We will increase Your Sum Insured under **Section 1 Part A and B** by reference to the relevant pricing index increase since the start date of the current Period of Insurance as published by Cordell.

Indexation does not apply:

- i. *if Your Sums Insured under **Section 1 Part A and B** exceed \$100,000,000 in total;*
- ii. *to any other Policy limit contained in **Section 1 Part A and B**.*

Claims procedures

1. What You must do

As soon as You discover that something has happened that is likely to result in a claim, You must:

- (a) take all reasonable steps to reduce Loss or Damage and to prevent any further Loss or Damage;
- (b) inform the police as soon as reasonably possible following Theft, Vandalism, malicious or intentional Loss or Damage, or misappropriation of money or property.

2. What You should not do

Whatever the circumstances You should not:

- (a) admit guilt or fault (except in court or to the Police);
- (b) admit or deny liability if an incident occurs which is likely to result in someone claiming against You for something We insure;
- (c) offer or negotiate to pay a claim;
- (d) dispose of any damaged items without taking reasonable steps to keep the items or first seeking Our approval. To ensure You are covered, please contact Us before any disposal.

If You do make an admission, denial or offer or if You negotiate to pay a claim, We may reduce or refuse Your claim to the extent We are prejudiced by your admission, denial or offer.

3. How to make a claim

When You make a claim You must:

- (a) promptly inform Strata Community Insurance by telephone, in writing or in person. If Your notification is late and results in higher costs for Us or harms Our investigation opportunities Our liability may be reduced and it may even be reduced to nil;
- (b) provide details of what has occurred and when requested complete and return Our claim form promptly together with proof to support Your claim. Examples of proof include any letters, documents, valuations, receipts or evidence of ownership that You have been reasonably asked to provide;
- (c) comply with reasonable requests to provide written statements under oath if We require it;
- (d) comply with reasonable requests to be interviewed about the circumstances of the claim, if We require this;
- (e) allow Us to inspect Your Community Property at reasonable times and frequency and take possession of any damaged item to deal with it for reasonable purposes and in a reasonable way;
- (f) provide Us as soon as reasonably possible with every notice or communication received concerning a claim or potential claim by another person or concerning any prosecution, inquest or other official inquiry arising from the Event.

4. Approval needed for repairs

You should not commence repairs without Our approval except for essential temporary repairs permitted under Event 1 (h) of **Section 1 Part A**. Please contact Us to confirm approval for repair costs.

5. Repairs or Replacement

We have the right to nominate the repairer or supplier to be used. After We have assessed Your claim, if You are required to enter into a contract with a third party to replace or reinstate Loss or Damage to the Community

Property that We have agreed to pay You will enter into that agreement with the third party as Our agent unless We otherwise advise in writing.

6. You must assist Us

Before We will pay anything under the Policy, You must:

- (a) comply with all the requirements of the Policy. We may reduce or refuse Your claim to the extent We are prejudiced by Your non-compliance;
- (b) give Us all information and assistance which We reasonably require in relation to the claim and any proceedings; and
- (c) allow Us access to any and all documents that We reasonably require to ascertain the maintenance history of Your Community Property.

7. False or misleading information

We may deny part or all of Your claim and/or cancel the Policy if the claim is fraudulent or false in any respect.

We may also report any suspected fraudulent act to the Police for further investigation.

8. Claim administration and legal proceedings

When a claim is admitted under the Policy, We have the right at Our discretion to exercise all Your legal rights relating to the claim and to do so in Your name.

We will take full control of the administration, conduct or settlement of the claim including any recovery or defence that We may consider is necessary.

We will act reasonably having regard to Your interests, and will keep You informed if you ask us to.

9. Salvage value

We are entitled to any salvage value on recovered items and damaged items that have been replaced.

At Our discretion (and if safe to do so), You may reclaim the item if You agree to pay the salvage price.

10. Contribution

Where a claim covered under the Policy is also insured elsewhere, We may exercise Our right to seek contribution from the other insurer or insurers.

You must provide Us with details of any other insurance which may cover the same risk to assist Us in this regard.

Acts or omissions of Your Association Manager

We will not deny liability for a claim, or reduce the amount of a claim (subject to any Sum Insured within the Policy not being exceeded), if Our right of denial or reduction is solely caused by an act, error or omission of Your Association Manager while acting on Your behalf.

Canceling Your Policy

1. The insured may cancel the Policy at any time by giving Us notice in writing.
2. We may cancel the Policy on any of the grounds set out in the *Insurance Contracts Act 1984* (Cth) and We will always tell the insured of this in writing.
3. On cancellation, a refund of Premium will be calculated on a pro-rata basis equal to the unexpired period of the Policy less any non-refundable Government charges or levies where applicable.
4. Where We have paid the total Sum Insured on a claim under any **Section** of Your Community Association Policy that **Section** of Your Community Association Policy with Us is deemed to have been fulfilled and there is no refund of any Premium payable on cancellation.

Goods and Services Tax (GST) notice

The amount of Premium payable by You for the Policy includes an amount on account of the Goods and Services Tax (GST) on the Premium.

When We pay a claim, Your GST status will determine the amount We pay.

When You are:

1. not registered for GST:
We will pay up to the Sum Insured, limit of indemnity or other Policy limit including GST.
2. registered for GST:
 - (a) and We have arranged services directly with the service provider, We will pay up to the relevant Sum Insured, limit of indemnity or other Policy limit including GST;
 - (b) and We settle direct with You We will pay up to the Sum Insured, limit of indemnity or other Policy limit and where You are liable to pay an amount for GST in respect of an Acquisition relevant to Your claim We will pay for the GST amount but We will reduce the GST amount We pay by the amount of any Input Tax Credits to which You are or would be entitled.

You must advise Us of Your correct Australian Business Number and Input Tax Credit entitlement. Any GST liability arising from Your incorrect advice is payable by You.

Where the settlement of Your claim is less than the Sum Insured or the other limits of insurance cover, We will only pay an amount for GST (less Your entitlement for Input Tax Credit) applicable to the settlement. This means that if these amounts are not sufficient to cover Your loss, We will only pay the GST relating to Our settlement of the claim.

GST, Input Tax Credit (ITC) and Acquisition have the same meaning as given to those expressions in *A New Tax System (Goods and Services Tax) Act 1999* (Cth) and related legislation as amended from time to time.

General conditions

These General conditions apply to all **Sections** unless otherwise stated. Please remember that if You do not comply with any term or condition, We may (to the extent permitted by law) decline or reduce any claim payment to the extent We are prejudiced by Your non-compliance and/or cancel Your Policy.

1. Alteration of risk

You must promptly advise Us of any changes in the details of the information You have given Us that You know or ought reasonably to have known is relevant to Our decision to insure You and the terms on which We will insure You, or if the nature of the occupation of the Community Property or other circumstances are changed in such a way as to increase the risk of Loss or Damage or the likelihood of liability losses. If We agree to the change We will do so in writing and, if necessary, We will propose any additional Premium We may require before We accept the risk.

If You do not do so We may not be liable for any Loss or Damage or liability caused or contributed to by any such change or alteration.

We may cancel Your Policy if there is a change and We can't reach an agreement with You on altered terms and conditions or premium, or We are no longer prepared to insure You because there has been a material change to the risk.

2. Excess and/or Contribution

You must pay or contribute the amount of any Excess and/or Contribution shown in the Policy or on the Schedule in accordance with the relevant **Section** or **Part**. If We settle Your claim by cash settlement We will deduct the Excess from the amount We pay You. In other circumstances, You may need to pay the Excess as a contribution to Your claim.

Any Excess applying to Loss or Damage caused by an earthquake or seismological disturbance that occurs during any one period of seventy-two (72) consecutive hours will be considered as one Event and not within the period of any previous Event.

Should more than one Excess be payable for any claim under the Policy arising from the one Event or Occurrence, such Excesses will not be aggregated and the highest single level of Excess only will apply. However, an Excess and Contribution payment applies to **Section 2 Part F**.

3. Joint insureds and/or interested parties

- (a) When more than one party is named on the Schedule as an insured We will treat each as a separate and distinct party. The words You, Your, Yours will apply to each party in the same manner as if a separate Policy had been issued to each party;
- (b) when any other party or entity has a legal insurable interest in Your Community Property duly notated in Your records We will protect their interests

provided such interest is fully disclosed to Us in the event of Loss or Damage. We will only be liable to such third parties:

- (i) to the extent of their interest in the insured property; and
- (ii) where Our Notional Liability exceeds the amount of Our liability to You in respect of the Loss or Damage. 'Notional Liability' means the amount for which We would have been liable to You in respect of the particular claim if You had been the only person who had an interest in the insured property,

provided that with regard to both (a) and (b) Our liability for any Sum Insured or other Policy limit for any one Event is not thereby increased and We will never pay to such persons an amount exceeding the loss suffered by them.

Any act, breach or non-compliance with the terms and conditions of the Policy committed by any one such party or entity that has an interest in Your Community Property:

- (a) shall not be prejudicial to the rights and entitlements of the other insured party(ies) or interested party(ies); provided that
- (b) the other insured party(ies) upon becoming aware of any such act, breach or non-compliance which increases the risk of Loss or Damage or liability give Us written notice within a reasonable time.

4. Reinstatement of Sum Insured

After We have admitted liability for a claim We will:

- (a) for claims up to ten percent (10%) of Your Sum Insured:
automatically reinstate Your Sum Insured and/or other limits to their pre-loss amount without charge;
- (b) for claims in excess of ten percent (10%) of Your Sum Insured:
reinstatement of Your Sum Insured and/or other limits to their pre-loss amount, provided You pay or agree to pay an additional Premium as We may require, based on the amount of the claim and the unexpired term of the Policy.

This condition does not apply:

- (a) *when We pay a total loss or constructive total loss;*
- (b) *when We pay the full Sum Insured under any cover Section or Part;*
- (c) *to Section 1: Part A - Events 6, 9, 19, 21 and 22;*
- (d) *to Section 2.*

5. Governing Law and Jurisdiction

The Policy is governed by the laws of Australia. Any dispute relating to the Policy shall be submitted to the exclusive

jurisdiction of an Australian Court within the State or Territory in which the Policy was issued.

6. Subrogation

When We admit a claim under this Policy We will, subject to the *Insurance Contracts Act 1984* (Cth), be subrogated to all Your rights of recovery against all persons or organisations and You will take reasonable steps to execute and deliver instruments and papers and to do all that is necessary to assist Us in the exercise of such rights.
